Grasonville Elementary School would like to thank you for your generosity. We approached you to get Fitness Boards constructed and hung in our school gymnasium. Not only did you get back to us right away, you offered to provide them to our school at no cost! We would not be as successful if it were not for people & businesses in this community like you.

Fitness is so important in our lives and we wanted to ensure the students were recognized for their progress and efforts. Due to your contribution, students can see their names on the boards which can be so motivational! Your generosity continues to amaze us. Thank you again!

Sincerely,

Roberta D. Leaverton
